Michalis

Drouvelis

Professor
of Behavioural Economics, Department of Economics, University of Birmingham

GUEST SPEAKER

The **MSc in Applied Economics and Finance** of the Department of Economics of the University of Macedonia is delighted to host **Michalis Drouvelis**.

Michalis Drouvelis is a Professor of Behavioural Economics at the University of Birmingham, Department of Economics. His research interests lie in the area of behavioural and experimental economics. Recent research has focused on social preferences, on voluntary cooperation in the presence of free rider incentives, on expression of emotions and on coordination games. His work has been published in *Games & Economic Behavior*, *Journal of Public Economics*, *European Economic Review*, *Journal of Economic Psychology*, *Experimental Economics*, *Theory and Decision*, *Southern Economic Journal*, *Journal of Behavioral and Experimental Economics* and *Economics Letters*. He is also affiliated with CESifo (Munich) and serves as Associate Editor for the *Journal of Economic Behavior & Organization* and Coordinating Editor for *Theory and Decision*.
